

CW POL-48 ENVIRONMENTAL POLICY

PURPOSE

This policy affirms the Company recognises that environmental conservation is an important part of our business. L.N. Price and Partners aim to assess our environmental aspects to ensure that our activities have a minimal impact on the environment around us.

SCOPE

This policy applies to all employees, sub-contractors and other members of LN Price & Partners Pty Ltd, and all its subsidiary companies and trading names, who work or visit company premises and undertake any activity by the company at other locations.

POLICY

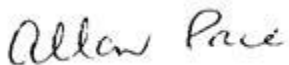

LN Price & Partners Pty Ltd, and all its subsidiary companies and trading names, is committed to achieving the principles of environmental sustainability in our workplace. We recognize our moral and legal responsibility and are committed to fulfilling our compliance obligations. We are committed to protecting the environment where possible.

We acknowledge the importance of protecting the environment in a sustainable manner to help reduce any damage or impact our operations and activities might have. By establishing measurable objectives and targets should ensure continued improvement, aimed at the elimination of waste, pollution and harm to the environmental.

We will work with our customers, suppliers and the community to adopt procedures that:

- Reduce waste through innovative work practices and recycling practices,
- Minimize environmental impacts by reduction of polluting substances produced,
- Minimize the impact of our operations on the neighbouring local and regional community,
- Increase the use of environmentally acceptable activities, products, services, materials, equipment and technology in place of those which are considered harmful,
- Ensure that our suppliers follow acceptable environmental policies,
- Actively promote environmental awareness among staff,
- Ensure operations are carried out in accordance with compliance obligations, and correct non-conformities.
